# SPRING FLING ART EXHIBIT

For twenty-five years, this cherished event has provided artists from western Ohio and eastern Indiana with a platform to share their vision, talent, and voice. More than a competition, it's a celebration of creative spirit and community—an enduring tradition that continues to shape the region's cultural landscape. Over the years, Spring Fling has uplifted countless artists, sparked meaningful conversations, and brought people together through the power of visual storytelling.

This year's exhibit will be hosted in a space that has long welcomed creativity and connection: Gateway Arts Council's gallery at 216 North Miami Ave. in Sidney. We invite you to be part of this milestone moment and experience the art that continues to inspire our community.
